

Please Help us Serve the Children of  
**Tijuana, Mexico**

by donating supplies  
for "Zone Kids" in Tijuana's red light district

Zone Kids started in January of 2011 as a preventative action to fight Human Trafficking, Prostitution, Homelessness, and Abuse. We believe as we pour into these children within the red light district, they will stand for something different in the years to come.

Currently, Zone Kids consists of Games, Bible Teachings, English Classes, and Art Classes

We are in need of supplies for the program that runs on a weekly basis. We need art supplies, soccer balls, outdoor game supplies, and children's bibles in Spanish.

Would you like to help?
